LA CIMA III

The Ultimate Entertainer's Penthouse -- Sky-High Luxury in Puerto Vallarta This is not simply a penthouse -- it's a house in the sky, built for hosting. Spanning 4,155 ft (386 sqm) across two dramatic levels, this custom-designed residence commands sweeping views over the Romantic Zone, Los Muertos Beach, and the iconic pier -- a backdrop no gathering could upstage. Two private master suites offer refined retreat, while a one-of-a-kind palapa-style bedroom crowns the rooftop with unmistakable Vallarta character. But it's the rooftop itself where this home truly comes alive: a soaring palapa shelters a full outdoor kitchen area, indoor-outdoor dining, lounge seating, and a private pool -- a complete entertainer's stage under the stars, made for sunset cocktails, dinner parties.
